Cave Shuffle enters the picture. The wood sword is still at the start cave, but now you must find everything else. Also, now the Armos item location is shuffled, and the Money-Making Game is randomized. Starting Hearts is now 4.

## **Week 3 - Shapes & Mixed Hints & Shuffled Overworld Group**

1D8PHYGKVRKvYJclm3qDcqu8

Shapes dungeons and mixed hints are now on. Wood sword is still at the start cave. Lynels and Moblins and Tektikes can now appear in the dungeons.

## **Week 4 - 2Q Rooms & Easy Start Shuffle**

1D8PHYGKVRgFT611pcKlbYy1

Easy Start shuffle is turned on. Wood sword is still at vanilla start, so find a way to route there quickly. 2Q Rooms are turned on. This means every potential pushblock room must be checked.

## **Week 5 - Shuffle Wood Sword Cave, 3 hearts, Sword beams off**

Shuffle Wood Sword Cave & 3 heart start is now on. Also sword beams are turned off. This is essentially Consternation without Heart Shuffle.

### **Week 6 - Mixed 1st Quest**

15YXWz4pcs5wgMFNiHo9Ynoj

We close with Mixed 1st Quest. All spots on the OW now need to be checked. OW block items like Recorder, PB, and Raft are now higher priority. Still find all the dungeons, bow and silvers to beat Ganon.
